

From Sydney:

1. Enter Canberra via Northbourne Avenue
2. Pass the Visitors Centre on your left, then turn right onto MacArthur Avenue
3. Follow to end and turn right onto Belconnen Way
4. Follow to end (several kms) and turn right at roundabout to Kingsford Smith Drive
5. At the first set of traffic lights turn left onto Southern Cross Drive, heading west (follow the sun if setting)
6. We are 4.3km from the roundabout near the golf course
7. Southern Cross Drive becomes Parkwood road: there is no need to turn off until you reach our entrance gate
8. Once the road turns to gravel, our driveway is the first on the right (400m) with the pine trees, picket fence and sign marked 'Ginninderry Park'. If travelling at night, you will notice a set of reflectors offset from the road – this is our gate
9. To enter, press XXXX (provided on booking) on the touchpad then CH1. The gate will open and close automatically – you will need to use this pin again on your departure
10. Follow the signs to either the Homestead accommodation (parking around the turning circle) or Function Centre parking.
